Empowering Techniques: A Step-by-Step Guide to Bible Journaling

Master the art of Bible journaling with our easy-to-follow techniques. From basic methods to advanced approaches, you'll discover a range of options to suit your style and spiritual needs:

What is reflective writing?

Reflective writing is:

- your response to experiences, opinions, events or new information
- your response to thoughts and feelings
- a way of thinking to explore your learning
- an opportunity to gain self-knowledge
- a way to achieve clarity and better understanding of what you are learning
- a chance to develop and reinforce writing skills
- a way of making meaning out of what you study

Reflective writing is not:

- just conveying information, instruction or argument
- pure description, though there may be descriptive elements
- straightforward decision or judgement (e.g. about whether something is right or wrong, good or bad)
- simple problem-solving
- a summary of course notes
- a standard university essay
