Bury My Heart at Conference Room is a business novel that follows the story of a young executive named David who is struggling to find meaning in his work. David has everything he could ever want: a high-paying job, a beautiful wife, and a nice house. But despite all of his success, David is feeling empty and unfulfilled.

One day, David is asked to lead a team of employees on a project that is doomed to fail. David knows that the project is a waste of time, but he

doesn't want to let his boss down. So he goes along with the plan, even though he knows it's going to end in disaster.

As the project unfolds, David begins to realize that there is more to life than just work. He learns the importance of relationships, teamwork, and giving back to the community. He also learns that it's okay to fail, as long as you learn from your mistakes.

Bury My Heart at Conference Room is a funny, heartwarming, and inspiring story that will change the way you think about work. It's a must-read for anyone who is looking for more meaning in their career.
