## By Susan F. Richards

In the early 1970s, Susan F. Richards embarked on a life-changing journey to China. At the time, China was a closed country, and few Westerners had the opportunity to visit. Richards was one of the first American women to travel to China after the Cultural Revolution, and her experiences there would forever change her life.

In *China In Another Time*, Richards shares her personal story of her travels in China. She writes about the people she met, the places she visited, and the things she learned about Chinese culture and history. She also reflects on the changes that have taken place in China over the past few decades, and what the future holds for this complex and fascinating country.

Richards' writing is both personal and insightful. She has a deep understanding of Chinese culture and history, and she is able to convey the

complexities of this country in a way that is both accessible and engaging. *China In Another Time* is a must-read for anyone who is interested in China, travel, or history.

## Reviews

"*China In Another Time* is a fascinating and insightful look at a country that is rapidly changing. Richards' writing is both personal and informative, and she provides a unique perspective on the complexities of Chinese culture and history." — *The New York Times*

"Richards' book is a must-read for anyone who is interested in China. It is a personal story of discovery and transformation, and a reminder that even in the most different of places, we can find common ground and shared humanity." — *The Washington Post*

## About the Author

Susan F. Richards is a writer and photographer who has traveled extensively throughout China. She is the author of several books about China, including *China In Another Time*, *The Art of Chinese Cooking*, and *The Chinese Garden*.
