I've always been a bit of a clueless tipper. I'm not sure why, but I've never been able to get the hang of it. I've always been too embarrassed to ask, and I've always been afraid of looking like a cheapskate.

So, I decided to do something about it. I decided to embark on a quest to become the guru of the gratuity. I wanted to learn everything there was to know about tipping, from the history of the practice to the proper etiquette for different situations.

I started by reading everything I could find on the subject. I talked to friends, family, and even strangers about their tipping habits. I even went

undercover as a waiter to get a firsthand look at how tipping works from the other side.

After months of research, I finally felt like I had a handle on the subject. I was ready to share my newfound knowledge with the world.

My book, *Clueless Tipper: One Person's Quest to Become the Guru of the Gratuity*, is a comprehensive guide to everything you need to know about tipping. I cover everything from the history of tipping to the proper etiquette for different situations. I even include a handy tipping calculator to help you figure out how much to tip in any situation.

I hope that my book will help you to become a more confident and generous tipper. Tipping is a way to show your appreciation for good service, and it's a way to make the world a better place. So, next time you're not sure how much to tip, reach for my book and let me help you out.

Table of Contents

1. The History of Tipping
2. The Proper Etiquette for Different Situations
3. Tipping in Other Countries
4. The Psychology of Tipping
5. Tipping and Technology

Praise for *Clueless Tipper*

"A hilarious and heartwarming memoir about one man's quest to master the art of tipping." - **The New York Times**

"A must-read for anyone who's ever been confused about tipping." - **The Wall Street Journal**

"John Smith has written the definitive guide to tipping. This book is a must-have for anyone who wants to be a more confident and generous tipper." - **The Washington Post**
