From cheating to bullying to lying, Trump's golf game is a microcosm of his entire life. Reilly, a veteran golf writer, has spent years observing Trump on the golf course, and he has seen firsthand how the game brings out the worst in him.

In *Commander in Cheat*, Reilly provides a detailed account of Trump's golf cheating, including specific examples of how he has broken the rules of the game. He also describes Trump's bullying behavior on the golf course, including how he has berated and humiliated his playing partners.

Perhaps most disturbingly, Reilly reveals how Trump has used the golf course to lie about his accomplishments. Trump has claimed to have shot lower scores than he actually did, and he has even lied about his handicap. Reilly shows how Trump's lies on the golf course are part of a larger pattern of dishonesty that has characterized his entire life.

Commander in Cheat is a must-read for anyone who wants to understand Donald Trump. Reilly's book provides a unique and revealing look at the character of the 45th president of the United States.
