# Dark Star Safari: Overland From Cairo To Capetown

In 2009, journalist and photographer Chris Stewart embarked on an epic overland journey from Cairo to Capetown, traversing the length of Africa in a battered Land Rover. His journey took him through some of the most remote and challenging terrain on the planet, from the scorching deserts of the Sahara to the lush rainforests of the Congo. Along the way, he encountered a cast of unforgettable characters, from nomadic tribesmen to warlords and refugees.
