Reilly begins by describing the origins of terrorism, from the early days of the IRA to the rise of Al-Qaeda. He then traces the evolution of the CIA's counterterrorism program, from its humble beginnings to its current status as a global force.

Reilly provides a detailed account of some of the most high-profile counterterrorism operations in recent history, including the raid on Osama

bin Laden's compound and the drone strike that killed Anwar al-Awlaki. He also discusses the use of torture and other controversial methods in the fight against terrorism.

Killing The Killers is a fascinating and informative book that sheds light on one of the most important issues facing the world today. Reilly's insights are invaluable, and his book is a must-read for anyone interested in understanding the secret war against terrorists.

Praise for Killing The Killers

"Killing The Killers is a must-read for anyone interested in understanding the secret war against terrorists. Bill Reilly provides an insider's look at the clandestine operations and high-stakes decisions that have shaped the global fight against terrorism."
