

# Life Work: On Becoming Mother

In this deeply moving and thought-provoking memoir, author and mother Rachel Cusk explores the profound transformation that becoming a mother brings to a woman's life.

Through a series of essays that are both personal and universal, Cusk examines the physical, emotional, and psychological changes that accompany motherhood. She writes about the challenges of losing one's old identity and finding a new one, the complexities of relationships with children and partners, and the search for meaning and purpose in the midst of the daily grind.
