A Journey Through Time and Space

The Iron Rooster, China's first railway line, has been operating for over a century. Its tracks weave through some of the most diverse and fascinating regions of the country, offering a unique perspective on Chinese history and culture. As you travel along the line, you'll pass through ancient cities,

witness the rise of modern megacities, and encounter a kaleidoscope of ethnic groups.

Each stop on the Iron Rooster line is a chance to delve into a different chapter of China's story. In Beijing, the capital, you can explore the Forbidden City and the Great Wall. In Xi'an, visit the Terracotta Warriors, an army of thousands of life-sized clay soldiers buried with the first emperor of China. In Chengdu, the panda capital, cuddle with adorable giant pandas at the Chengdu Research Base of Giant Panda Breeding.

Cultural Encounters

Beyond the historical landmarks, the Iron Rooster line also offers a window into the daily lives of ordinary Chinese people. As you interact with locals on the train and in the towns and cities you visit, you'll gain a deeper understanding of Chinese culture and society.

You'll meet friendly farmers tending their fields, bustling vendors selling local delicacies, and students eager to practice their English. You'll learn about traditional customs, such as the art of Chinese calligraphy and the importance of tea drinking. And you'll witness firsthand the rapid modernization of China, as skyscrapers rise and high-speed trains crisscross the country.

Breathtaking Landscapes

The Iron Rooster line not only traverses diverse cultures but also some of the most stunning landscapes in China. From the rolling hills of the Yellow River Valley to the snow-capped peaks of the Tibetan Plateau, the scenery is constantly changing and breathtaking.

As the train winds its way through mountain passes, you'll gaze out the window at sheer cliffs, cascading waterfalls, and lush forests. You'll cross vast deserts, dotted with camels and yurts. And you'll skirt along the banks of the Yangtze River, China's longest and most important waterway.
