Unforgiven Fallen is the fourth book in the Fallen series by Lauren Kate. The book follows Luce Price as she navigates the complexities of her relationship with Daniel Grigori, a fallen angel.

The Fallen series is a popular young adult fantasy series that has sold over 10 million copies worldwide. The series tells the story of Luce Price, a 17-year-old girl who discovers that she is the reincarnation of a fallen angel. Luce must learn to navigate the complexities of her new life while also trying to figure out who she is and what she wants.

Unforgiven Fallen picks up where the third book in the series, Torment, left off. Luce and Daniel are finally reunited after being separated for months. However, their relationship is still strained by the secrets that they have kept from each other.

In Unforgiven Fallen, Luce and Daniel must face the consequences of their actions. Luce must confront her past and Daniel must come to terms with

his own darkness. The two of them must also learn to trust each other again if they want to have a future together.

Unforgiven Fallen is a well-written and engaging novel that will appeal to fans of the Fallen series and young adult fantasy in general. The book is full of action, romance, and suspense. It is a must-read for fans of the series.

Daniel Grigori is a fallen angel who is struggling to come to terms with his own darkness. The two of them have a complicated relationship that is full of love, passion, and heartache.

In addition to Luce and Daniel, there are a number of other characters in Unforgiven Fallen who play important roles. These characters include Luce's friends, Shelby and Miles, and Daniel's fellow fallen angels, Cam and Roland.
