The screenshot shows a web-based character generator interface. At the top, it says "WORKSHOP: Character Backstory" and "BUILD: 21 CREDITS: 1668 / DM XP: 884". On the left, there are tabs for "STYLE", "APP", "NAME", "TRICKS", "VOICE", and "IMAGE". The main content area displays the character's name "Iceshard" and a "Backstory" section. The backstory describes Iceshard as a blue performer and his father as a juggler, both wanting to be the best. They train in the local schools and are disappointed when Iceshard fails to be successful. He leaves home to find his own path, but when he learns about the adventures of Zax, he feels like he has found his calling. He leaves his family and relatives to become an acrobat himself. Below the backstory is a "Personality" section, which describes Iceshard as incredibly serious and disciplined, willing to let his emotions get in the way of his training. He is not a huge fan of small talk, preferring to get right to the point of conversations. He also tends to take on jobs without asking questions, and he is not the most sensitive of people. The "Appearance" section describes Iceshard as a blue performer with pale skin and short white hair. He typically wears a black and white mask. His eyes are completely white. He also likes to wear some black clothing, but he also wears loose-fitting white clothing when he is in a different mood. The "Start of Character" section describes Iceshard as an acrobat of Zax. He has many responsibilities, and he plans on making sure he is doing everything that he is supposed to be doing. At the bottom, there is a table of stats: STR 9, INT 11, WIS 9, DEX 9, CON 14, and CHA 9. Below the stats, it says "Character Generated and Saved!" and "Click here to generate for quality or other items".
